Reference: D³EA[®] PPSV[®] Certification

The replacement brake components referenced below, submitted by:

Brake Parts, Inc. – Affinia Global Brake and Chassis

4400 Prime Parkway

McHenry, IL 60050

have successfully completed D³EA[®] PPSV[®] Certification testing on the part numbers and applications shown. PPSV[®] Certified replacement brake friction parts are validated in matched sets (front brake and rear brakes are tested simultaneously, emulating the vehicle braking system) and meet or exceed performance requirements based on Federal Standards for new vehicles.
